OVER 40 PERCENT OF DAVE & BUSTER'S STORES IMPACTED BY SEVERE WINTER STORMS

DALLAS—February 10, 2005—Dave & Buster's, Inc. (NYSE: DAB), a leading operator of upscale restaurant/entertainment complexes, today announced that the severe winter storms in January had a significant impact on its revenues for the fourth quarter. Management estimates that the severe weather in the Northeast, Mid-Atlantic and Midwest reduced revenue by almost \$2 million as over 40 percent of the company's stores were affected during their high volume weekend operations. The timing of the storms increased their impact, because weekend revenue mix is typically skewed more toward the higher margin amusement portion of the business.

Celebrating over 22 years of operations, Dave & Buster's was founded in 1982 and is one of the country's leading upscale, restaurant/entertainment concepts with 43 locations throughout the United States and in Canada. More information on the company, including the latest investor presentation is available on the company's website, www.daveandbusters.com.
