PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD JUNE , 2003

GENERAL INFORMATION

This Proxy Statement is furnished to holders of the common stock, par value \$.01 per share (the "Common Stock"), of Dave & Buster's, Inc., a Missouri corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on June , 2003, at 9:00 a.m. local time and at any and all adjournments or postponements thereof (the "Annual Meeting"). The purpose of the meeting and the matters expected to be acted upon are set forth in the preceding Notice of Annual Meeting of Shareholders. At present, the Board of Directors knows of no other business which will come before the meeting.

This Proxy Statement and accompanying form of proxy are being mailed to the Company's shareholders on or about April , 2003. The Company's Annual Report, covering the Company's fiscal year 2002, is enclosed herewith but does not form any part of the materials for solicitation of proxies.

QUORUM AND VOTING OF PROXY

Record Date. The record date for the Annual Meeting ("Record Date") is April 18, 2003. Only holders of record of the Common Stock at the close of business on such date are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, the Company had issued and outstanding, and entitled to vote at the Annual Meeting, shares of Common Stock. Each outstanding share of Common Stock is entitled to one vote.

Quorum. In order for any business to be conducted at the Annual Meeting, the holders of more than 50% of the shares entitled to vote must be represented at the meeting, either in person or by properly executed proxy. If a quorum is not present at the scheduled time of the Annual Meeting, the shareholders who are present may adjourn the Annual Meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the Annual Meeting.

Required Vote. Votes cast at the meeting will be tabulated by persons appointed as inspectors of election for the meeting. The inspectors of election will treat shares of Common Stock represented by a properly signed and returned proxy as present at the meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining on any or all of the matters. Likewise, the inspectors of election will treat shares of Common Stock held in street name as to which brokers do not have discretionary voting authority and as to which they have not received voting instructions from their customers (so-called "broker non-votes") as present for purposes of determining a quorum. The election as a director of each nominee requires the affirmative vote of the holders of record of a majority of the outstanding voting power of the shares of common stock represented, in person or by proxy, at the Annual Meeting. Accordingly, abstentions and "broker non-votes" are not counted for purposes of the election of a director.

The affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy and entitled to vote will be required to approve the ratification of the appointment of the independent auditors and to approve the shareholder proposal. In determining whether the ratification of the appointment of the independent auditors or the shareholder proposal has received the requisite number of affirmative votes, (i) abstentions will be treated as shares entitled to vote but will not

be tabulated as a vote cast, and therefore will have the effect of a vote against the proposal, and (ii) broker non-votes, if any, will be treated as shares that are not entitled to vote.

Proxies. If the enclosed Proxy is properly executed, returned in time and not revoked, the shares represented thereby will be voted in accordance with the instructions indicated. If a shareholder does not indicate any voting instructions, such shareholder's shares will be voted (i) FOR the election to a three year term as directors of the Company of the Board's three nominees set forth below; (ii) FOR the ratification of the selection of Ernst & Young LLP as independent auditors for fiscal year 2003, (iii) AGAINST approval of the shareholder proposal, and (iv) at the discretion of the proxy holders on any other matter that may properly come before the meeting or any adjournment thereof. If any other matter or business is brought before the meeting, the proxy holders may vote the proxies in their discretion.

A shareholder who has given a Proxy may revoke it at any time prior to its exercise at the Annual Meeting by either (i) giving written notice of revocation to the Secretary of the Company, (ii) properly submitting to the Company a duly executed Proxy bearing a later date, or (iii) appearing at the Annual Meeting and voting in person. All written notices of revocation of Proxies should be addressed as follows: Dave & Buster's, Inc., 2481 Manana Drive, Dallas, Texas 75220, Attention: John S. Davis, Senior Vice President, General Counsel and Secretary.

PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. The Company currently estimates that it will spend a total of approximately \$ for its solicitation of proxies. This estimate excludes salaries and wages of regular employees and officers and normal expenses of an uncontested proxy solicitation for the election of directors. As of April 16, 2003, the Company had expended approximately \$20,000 in connection with its proxy solicitation. The Company has retained Georgeson Shareholder Communications, Inc. ("Georgeson") for a fee not to exceed \$50,000, plus reimbursement of reasonable out-of-pocket expenses to assist in the solicitation of proxies and revocations. The Company estimates that approximately 25 employees of Georgeson will be involved in the solicitation of proxies and revocations on behalf of the Company. Proxies may be solicited through the mail and through telephonic or telegraphic communications to, by advertisements in periodicals and postings on the Company's website at www.daveandbusters.com, or by meetings with, shareholders or their representatives by directors, officers, and other employees of the Company who will receive no additional compensation therefor.

The Company requests persons such as brokers, nominees, and fiduciaries holding stock in their names for others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.

INFORMATION CONCERNING PERSONS WHO MAY SOLICIT PROXIES

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Bylaws provide that the number of directors shall consist of three or more directors, with the exact number to be determined by the affirmative vote of a majority of the Board of Directors. By resolution, the Board of Directors has set the number of directors of the Company at nine. The Company's Articles of Incorporation provide for the Board of Directors to consist of three classes of directors serving staggered terms of office, with each class to consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board of Directors. Upon the expiration of the term of office for a class of directors, the nominees for that class will be elected for a three-year term to serve until the election and qualification of their successors. Three current directors, James W. Corley, Peter A. Edison, and Patricia P. Priest have been nominated for re-election at the Annual Meeting for a three-year term expiring in 2006. Ms. Priest was elected by the Board on April 17, 2003 to fill the vacancy created by the retirement of former Board member Walter S. Henrion, to serve the remainder of his term ending on the date of the Annual Meeting. The other directors have one year and two years, respectively, remaining on their terms of office and will not be voted upon at the Annual Meeting.

It is the intention of the persons named as proxies to vote the Proxies for election of each Mr. Corley, Mr. Edison, and Ms. Priest as a director of the Company, unless the shareholders direct otherwise in their Proxies. Each director will be elected to hold office until the 2006 Annual Meeting of Shareholders or until his or her earlier death, resignation or removal. Each of Mr. Corley, Mr. Edison, and Ms. Priest has consented to continue to serve as a director of the Company if re-elected. In the unanticipated event that Mr. Corley, Mr. Edison, or Ms. Priest refuses or is unable to serve as a director, the Board of Directors, in its discretion, may designate a substitute or nominee or nominees (in which case the persons named as proxies will vote all valid Proxies for the election of such substitute nominee or nominees), or by

resolution reduce the authorized number of directors. The Board of Directors has no reason to believe that any of the nominees will be unable or will decline to serve as a director.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE BOARD'S THREE NOMINEES LISTED BELOW. THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES REPRESENTED AND ENTITLED TO VOTE IN THE ELECTION AT THE ANNUAL MEETING AT WHICH A QUORUM IS PRESENT IS REQUIRED FOR THE ELECTION OF EACH NOMINEE.

COMMITTEES OF THE BOARD OF DIRECTORS

The Audit Committee, comprised of Ms. Priest (Chair) and Messrs. Edison, and Pittaway, recommends to the Board of Directors the appointment of the Company's independent auditors, reviews and approves the scope of the annual audit of the Company's financial statements, reviews and approves any non-audit services performed by the independent auditors, reviews the findings and recommendations of the internal and independent auditors and periodically reviews and approves major accounting policies and significant internal accounting control procedures. For fiscal 2002, the Audit Committee was comprised of Messrs. Edison, Hallett and Maguire. The Audit Committee met six times during fiscal 2002. The Audit Committee operates pursuant to a new charter adopted in April 2003, a copy of which is attached to this Proxy Statement as Annex A.

The Audit Committee is composed of outside directors who are not officers or employees of the Company. In the business judgment of the Board, each of these directors is independent of management, as "independent" is presently defined under the existing listing standards of the New York Stock Exchange, because such director either does not have a business relationship with the Company or, if a business relationship with the Company exists, such relationship does not interfere with the director's exercise of independent judgment as a member of this committee.

In addition, the Board has determined that each of Ms. Priest, Mr. Edison and Mr. Pittaway qualify as "financial experts" under the provisions of the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission.

The Compensation Committee comprised of independent directors, Messrs. Pittaway (Chair), Humann, and Bernstein, reviews and recommends compensation of officers and directors, administers equity plans and reviews major personnel matters. For fiscal 2002, the Compensation Committee was comprised of Messrs. Levy and Bernstein. The Compensation Committee met three times during fiscal 2002. Attached to this Proxy Statement as Annex B is the original Charter adopted by the Compensation Committee in April 2003.

The Nominating and Corporate Governance Committee comprised of independent directors, Messrs. Edison (Chair), Humann, and Levy, was newly formed in March 2003 and therefore did not meet during fiscal 2002. The Nominating & Corporate Governance Committee is charged with establishing criteria for and nominating candidates for director of the Company as well as administering the overall corporate governance policies and philosophy of the Company. Attached to this Proxy Statement as Annex C is the original Charter adopted by the Nominating and Governance Committee in April 2003.

While the Nominating and Corporate Governance Committee believes that it is able to identify a sufficient number of qualified candidates from its own resources, it will consider shareholder suggestions of persons to be considered as nominees to fill future vacancies on the Board. Such suggestions must be sent in writing to the Secretary at the Company's address and must be accompanied by detailed biographical and occupational data on the prospective nominee, along with a written consent of the prospective nominee to consideration of his or her name by the Nominating and Corporate Governance Committee. The Company's bylaws include additional requirements regarding nominations of persons at shareholders' meetings other than by the Board.

The Executive Committee, formerly comprised of Messrs. Corriveau, Corley and Mr. Henrion, did not meet or act during fiscal 2002. In April 2003, the Board of Directors voted to eliminate the Executive Committee as a standing board committee.

PROPOSAL 2

RATIFICATION OF THE SELECTION OF AUDITORS

The Audit Committee has appointed Ernst & Young LLP ("Ernst & Young") to be the independent auditors of the Company for fiscal 2003. Although not legally required to do so, upon the recommendation of the Audit Committee, the Board is submitting the appointment of Ernst & Young as the Company's independent auditors for fiscal 2003 to the shareholders for ratification at this meeting.

The services provided to the Company by Ernst & Young in fiscal 2003 will include, in addition to performing the audit, review of quarterly financial statements, completion and review of federal and state tax returns, and consultation on various accounting financial reporting, tax and related matters.

Ernst & Young, a nationally known firm, has no direct or indirect interest in the Company. The firm of Ernst & Young has been the Company's auditor since 1995.

Representatives of Ernst & Young are expected to be present at the Annual Meeting, they will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG TO BE THE INDEPENDENT AUDITORS OF THE COMPANY FOR FISCAL 2003, WHICH REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES REPRESENTED AND ENTITLED TO VOTE AT THE MEETING.

REPORT OF THE AUDIT COMMITTEE

We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended February 2, 2003. We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with the Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, we have recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended February 2, 2003.

INDEPENDENCE OF ACCOUNTANTS

Ernst & Young, LLP served as the Company's independent accountants for the fiscal years ended February 2, 2003 and February 3, 2002 and has been selected, subject to the ratification of such selection by the Company's stockholders, to serve in such capacity for the current year. For the fiscal years ended February 2, 2003 and February 3, 2002, the Company paid Ernst & Young, the following amounts:

FISCAL 2002	FISCAL 2001	Audit Fees
\$175,400	\$138,000	Audit-Related Fees
(includes transaction due diligence)	205,105	0
Tax Fees (tax compliance and preparation)	215,499	140,074
All Other Fees (includes special projects; tax advice and services outside the scope of tax compliance and preparation; other miscellaneous matters)	246,620	145,921

In March 2003, the Audit Committee established a policy whereby Ernst & Young would be required to seek pre-approval by the Committee of all tax and other non-audit related services by providing a prior description of the services to be performed and specific fee estimates for each such service. Prior to the adoption of such policy, the Audit Committee pre-approved 100% of estimated audit-related and tax fees and 0% of all other fees of Ernst & Young for fiscal 2002 and 2001.

The Audit Committee concluded that the above mentioned non-audit services did not adversely impact the independence of Ernst & Young.

Agreements, each of Messrs. Corriveau and Corley are entitled to a base salary of \$400,000, or such higher amount as the Compensation Committee may determine from time to time. They also are entitled to participate in the executive incentive bonus plan and in any other bonus arrangement mutually agreed between them and the Company. The Employment Agreements continually renew after an initial one-year period on a rolling one-year basis. Contemporaneously with the Employment Agreements, the Company also entered into Executive Retention Agreements with each of Messrs. Corriveau and Corley. In fiscal 2001, the Company also entered into Executive Retention Agreements with Mr. Hammett, Mr. Smith and Mr. Davis, as well as other executive officers of the Company. These Executive Retention Agreements provide for guaranteed severance payments equal to two times the annual compensation of the executive officers (base salary plus cash bonus award) and continuation of health and similar benefits for a two year period upon termination of employment without cause within one year after a change of control of the Company. In the case of Messrs. Corriveau and Corley, if the officer remains employed with the Company through the first anniversary date following a change of control, a special bonus equal to one year's compensation will be paid.

The Company has entered into related trust agreements to provide for payment of amounts under its non-qualified deferred compensation plans and the Executive Retention Agreements. Full funding is required in the event of a change of control.

Under the terms of the Company's Stock Option Plans, all options and restricted stock will become vested upon the occurrence of a change of control.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors of the Company (the "Compensation Committee") has furnished the following report on executive compensation. The Compensation Committee report documents the components of the Company's executive officer compensation programs and describes the compensation philosophy on which fiscal year 2002 compensation determinations were made by the Compensation Committee with respect to the executive officers of the Company, including the Chief Executive Officer (which for fiscal 2002 included the Co-Chief Executive Officers) and the other executive officers that are named in the compensation tables who are currently employed by the

Company (the "Named Executive Officers"). The Compensation Committee, composed solely of non-employee directors, also administers the Stock Plan.

This report of the Compensation Committee will not be deemed to be incorporated by reference by any general statement incorporating this proxy statement into any of our filings under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and will not be deemed "soliciting material" or be deemed "filed" under such Acts.

COMPENSATION PHILOSOPHY AND OVERALL OBJECTIVES OF EXECUTIVE COMPENSATION PROGRAMS

It is the philosophy of the Company to link executive compensation to corporate performance and to create incentives for management to enhance shareholder value. The following objectives have been adopted by the Compensation Committee as guidelines for compensation decisions:

- Provide a competitive total executive compensation package that enables the Company to attract and retain key executives.
- Integrate all pay programs with the Company's annual and long-term business objectives and strategy, and focus executives on the fulfillment of these objectives.
- Provide variable compensation opportunities that are directly linked with the performance of the Company.

CASH COMPENSATION

Cash compensation includes base salary and the Company's annual incentive plan awards. The base salary of each of the Company's executive officers is determined by an evaluation of the responsibilities of that position and by comparison to the average level of salaries paid in the competitive market in which the Company competes for comparable executive ability and experience. Annually, the performance of each Named Executive Officer is reviewed by the Compensation Committee using information and evaluations provided by the President and the Chief Executive Officer (these officers review the performance of all other senior management) taking into account the Company's operating and financial results for that year, a subjective assessment of the contribution of each executive officer to such results, the achievement of goals established for each such executive officer at the beginning of each year, and competitive salary levels for persons in those positions in the markets in which the Company competes. To assist in its deliberations, the Compensation Committee has engaged the services of an independent compensation consultant to provide a detailed analysis of market competitive base salary and incentive compensation information that included companies in both the chain restaurant industry and in a broader cross-section of similar industries. Following its review of the performance of the Company's Named Executive Officers, the Compensation Committee Chairman reports the Compensation Committee's recommendations for salary increases and incentive awards to the Board of Directors.

The Company's executive incentive plan (EIP) is designed to recognize and reward those employees that make significant contributions towards achieving the Company's annual business plan. The Compensation Committee believes the EIP should be the principal short-term incentive program for providing cash bonus opportunities for the Company's executives contingent upon operating results and the achievement of individual performance objectives as determined by the Compensation Committee or the Chief Executive Officer, as the case may be. The fiscal 2002 EIP corporate financial target was based on targeted earnings before income taxes and depreciation (EBITDA) for the Company, which counts 75% towards the total EIP bonus awarded. Individual performance objectives count 25% toward such award. The Compensation Committee will continue to review and modify the performance goals for the EIP as necessary to ensure reasonableness, achievability, and consistency with overall Company objectives and shareholder expectations. In 2002, annual base salary increases and incentive compensation awards for all of the Named Executive Officers were approved by the Compensation Committee and reported to the Board of Directors. The Compensation Committee believes the recommended salary levels and incentive

awards were warranted and consistent with the performance of such executives during fiscal year 2002 based on the Compensation Committee's evaluation of each individual's overall contribution to accomplishing the Company's fiscal year 2002 corporate goals and of each individual's achievement of individual performance goals during the year.

In reviewing fiscal year 2002 EIP results, the Compensation Committee recognized that the Company did not meet the EBITDA target for financial performance. Therefore, incentive compensation awards to the named Executive Officers for fiscal 2002 were based solely on individual performance factors, which included such qualitative factors as leadership skills, planning initiatives and employee development to ensure short and long-term operational objectives.

LONG-TERM INCENTIVES

The Compensation Committee believes that it is essential to align the interests of Dave & Buster's executives and other key management personnel responsible for the growth of the Company with the interests of the Company's shareholders. The Compensation Committee believes that this objective is best accomplished through the provision of stock-based incentives that align themselves to enhancing the Company's value, as set forth in the Company's Stock Plan. Because the Company does not maintain any qualified retirement programs, the Stock Plan also serves as the opportunity to generate additional wealth to be used for later retirement needs.

The Committee did not award any additional long-term incentives to the Company's executive officers during fiscal 2002, based upon the Committee's view of the adequacy of the levels of current long -- term incentive awards and the Company's performance in fiscal 2002. The Compensation Committee will continue to review long-term incentives and make recommendations, where it deems appropriate, to the Company's Board of Directors, from time to time, to assure the Company's executive officers and other key employees are appropriately motivated and rewarded based on the long-term financial success of the Company.

CEO COMPENSATION

In determining the base compensation of Mr. Corriveau and Mr. Corley, who served as Co-Chief Executive Officers during fiscal 2002, the Compensation Committee considered the Company's operating and financial results for fiscal year 2001, subjectively evaluated their individual performance and substantial contribution to Company results, and considered the compensation range for other chief executive officers of companies in the industry. Based on its review of comparable salary data, the Committee believes that the base compensation paid to the Co-CEO's during fiscal 2002 ranked in the 75th percentile range for the industry. Based on that review and assessment, the Compensation Committee recommended, and the Company's Board of Directors approved, an increase in Mr. Corriveau and Mr. Corley's base salary to \$600,000 per year effective April 1, 2002.

Under the EIP, the maximum bonus potential for each of Mr. Corriveau and Mr. Corley is 100% of their base salary. In March 2003, the Compensation Committee awarded each of Mr. Corriveau and Mr. Corley an incentive bonus of \$60,000 under the EIP for performance during fiscal 2002. In determining the amount of incentive compensation for fiscal 2002, the Compensation Committee recognized that the Company did not achieve the financial targets under the EIP for 2002, and based such awards solely on the Committee's subjective assessment of the accomplishment of individual performance objectives applicable to Mr. Corriveau and Mr. Corley under the EIP including such qualitative factors as leadership skills, planning initiatives and employee development. Neither Mr. Corriveau or Mr. Corley received any grants of stock-based incentives under the Stock Plan in fiscal 2002 for the reasons stated above.

In March 2003, the Compensation Committee reviewed the compensation of Mr. Corriveau and Mr. Corley, and recommended not to increase their base salaries for 2003. Subsequently, effective April 2003, the Compensation Committee agreed with each of Mr. Corriveau and Mr. Corley to a 20 percent reduction in base salary, from \$600,000 to \$480,000 on an annualized basis. At the time of such salary

reduction, the Compensation Committee also instituted a special bonus plan for Mr. Corley and Mr. Corriveau whereby each officer could earn an additional bonus of from \$60,000 to \$120,000 if the Company achieves specified targets in earnings per share (EPS) for fiscal 2003. The entry point for the special bonus plan is a 50% increase in EPS over fiscal 2002, and the maximum bonus will be earned upon a 100% increase in EPS over fiscal 2002. Such bonus plan is in addition to the regular EIP for such officers for fiscal 2003. The practical effect of such changes was to convert a significant amount of each such officer's total annual compensation to "at risk" incentive-based compensation as opposed to guaranteed base compensation.

In April, 2003, Mr. Corley was named Chief Executive Officer of the Company, replacing the Co-CEO positions previously held by both Mr. Corley and Mr. Corriveau and Mr. Edison was named as Chairman of the Board, replacing Mr. Corley and Mr. Corriveau as Co-Chairmen.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code under the Omnibus Budget Reconciliation Act of 1993 limits the deductibility of compensation over \$1 million paid by a company to an executive officer. The Compensation Committee will take action to qualify most compensation approaches to ensure deductibility, except in those limited cases in which the Compensation Committee believes shareholder interests are best served by retaining flexibility. In such cases, the Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its compensation objectives.

SUMMARY

As a result of pay-for-performance concepts incorporated in Dave & Buster's executive compensation program, the Compensation Committee believes that the total compensation program for executive officers of the Company is competitive with the compensation programs provided by other companies with which the Company competes, emulates programs of high-performing companies and will serve the best interests of the shareholders of the Company. The Compensation Committee also believes this program will provide opportunities to participants that are consistent with the expectations of the Board and with the returns that are generated on the behalf of the Company's shareholders.

Allen J. Bernstein

DIRECTOR COMPENSATION

Directors who are employees of the Company receive no additional compensation for their attendance at meetings of the Board or any of its committees of which they are members. Prior to April 2003, Directors who are not employees of the Company receive \$8,000 as an annual retainer, \$1,000 for participation in each Board meeting and \$800 for participation in each committee meeting. In April 2003, the Compensation Committee recommended and the Board approved increases in the Directors cash compensation as follows: \$12,000 annual retainer and \$1,250 for participation in each Board meeting. In addition, the Board approved the payment of an additional annual retainer of \$5,000 to each Committee chair. When participation in a Board or committee meeting is by telephone, the fee paid is one-half of the amount reported above.

Under the Company's 1996 Stock Option Plan for outside Directors (the "Directors Plan") each non employee director (excluding those directors who were shareholders prior to the adoption of the Directors Plan) has received an initial grant of 22,500 options either at the time the Directors Plan was adopted or contemporaneously with such director's appointment to the Board. In addition, the non-employee directors have received additional grants of 7,500 options from time to time under the Directors Plan as determined

by the Compensation Committee, in recognition of their continuing service as a director. Each such grant vests over a period of three years. In April 2003, the Compensation Committee approved initial grants of 22,500 options to each of Ms. Priest and Messrs. Humann and Pittaway.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, the Company's directors, executive officers and persons who own more than 10% of the Company's common stock are required to report their initial ownership of the Company's common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates have been established for these reports, and the Company is required to disclose in this proxy statement any failure to file by these dates. Based solely on a review of the copies of the forms furnished to the Company, or written representations from certain reporting persons that no Form 5s were required, the Company believes that no persons were required to file a report on Form 5 for the 2002 fiscal year.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee is or has been an executive officer or employee of the Company. None of the named Executive Officers serves or has served as a member of the board of directors or compensation committee of any other entity which has one or more executive officers serving on the Company's Board of Directors or Compensation Committee.

CERTAIN TRANSACTIONS

Pursuant to a consulting agreement between the Company and Mr. Henrion, a former director of the Company, in fiscal 2002, the Company paid consulting fees of \$12,500 per month to Mr. Henrion for advisory services relating to international franchise development and licensing, expansion and site selection, market analysis, improvement and enhancement of the Company's business and other similar activities. The consulting agreement expires in January 2005. Mr. Henrion retired from the Board of Directors in April 2003.

Since the beginning of fiscal 2002, Mr. Corriveau was indebted to the Company under the terms of a personal loan in the amount of \$100,000, which is non-interest bearing and payable on demand. Such loan was in existence prior to the prohibitions enacted under Section 402 of the Sarbanes-Oxley Act of 2002, effective July 30, 2002, and is therefore specifically excluded from such prohibitions so long as it is not materially modified. In March 2003, Mr. Corriveau repaid \$50,000 of the loan balance and in April, 2003, repaid the remaining balance.

On December 29, 2000, the Company entered into a sale/leaseback transaction with Cypress San Diego I, L.P., an affiliate of Cypress Equities, Inc., for its San Diego, California location, whereby the Company received \$8.0 million in exchange for committing to lease payments of approximately \$23.2 million over 20 years with options for renewal. Mr. Maguire, a director of the Company, is President of Cypress Equities, Inc. Payments to Cypress San Diego I, L.P. for rent during fiscal 2002 were approximately \$1,000,000.

In addition, the Company from time to time has engaged Cypress Equities, Inc. to provide brokerage services in connection with the sale and leaseback of other properties owned by the Company. The amount of broker's commissions paid to Cypress Equities for such services in fiscal 2002 was \$332,405.

Hallett & Perrin, P.C. provides legal services to the Company from time to time. Mr. Hallett, a shareholder of Hallett & Perrin, was a director of the Company until April 2003. Total fees paid by the Company to Hallett & Perrin in fiscal 2002 did not exceed five percent of such firm's gross revenues for its 2002 fiscal year.

PROPOSAL 3

SHAREHOLDER PROPOSAL

Renaissance Capital Group, Inc. has presented a proposal for consideration at the annual meeting. The address and stock ownership of Renaissance will be furnished by the Company's Secretary to any person, orally or in writing as requested, promptly upon receipt of any request therefor. The adoption of such proposal requires the affirmative vote of the holders of a majority of the common stock represented at the Annual Meeting in person or by proxy.

PROPOSAL -- SALE OF THE COMPANY

The shareholders request that our Board of Directors pursue a sale of the Company, or all or substantially all of its business and assets, with the assistance of a nationally recognized investment banking firm, with a view to consummating such transactions not later than February 28, 2004.

SUPPORTING STATEMENT

Shareholder value has declined:

1. The Company's shares consistently trade at a discount to its publicly traded restaurant peers based on fundamental metrics such as price to book and price to earning ratios, among others.

Financial and business performance has also declined:

1. Operating income for the nine months ended November 3, 2003 declined 20% to \$8.5 million from \$10.6 million for the comparable period last year.

2. Operating income has continued to decline over time. For the nine months ended November 3, 2003, operating income declined 35% to \$8.5 million from \$13.1 million for the comparable period of 1998.

Sale of the Company is called for:

Some Dave & Buster's, Inc. shareholders are disappointed in the decline of their stock value and the poor financial and business performance of the Company. These shareholders believe that a meaningful way to increase shareholder value for all Dave & Buster's, Inc. shareholders is to pursue a sale of the Company, or all or substantially all of its business and assets, with the assistance of a nationally recognized investment banking firm.

In the interest of shareholder value vote yes.

OPPOSING STATEMENT

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE "AGAINST" THIS PROPOSAL FOR THE FOLLOWING REASONS:

First, the Company's Board of Directors regularly analyzes strategic alternatives consistent with its fiduciary duties. Such analyses require a review of a broad range of information regarding the Company's business, prospects, financial condition and results of operations, in addition to numerous other factors that a Board must consider in performing its fiduciary responsibilities to the shareholders. Decisions to sell a company do not arise in a vacuum. Rather, such a decision is typically only one potential outcome a Board may reach after it thoroughly analyzes all of its strategic alternatives and concludes that a sale of the Company is the optimal alternative.

Second, the Board believes that a decision to pursue a sale of the Company, to the exclusion of other potential strategic alternatives, could create a "forced sale" atmosphere. This could cause the Company to negotiate with potential bidders from a position of weakness and could actually have the effect of reducing the perceived value of the Company to a "fire sale" level.

Third, the Board believes that a sale process which contemplates an unspecified transaction by a specified date could be injurious to the Company's day to day operations by creating uncertainty among lenders, employees, vendors and other constituencies. This uncertainty could materially jeopardize the business and value of the Company. The Board strongly wants to avoid these risks, particularly in the midst of a challenging business environment for restaurant and entertainment companies.

Fourth, the Board believes that adoption of the proposal is unnecessary. The Company recently completed an extended period during which an announced sale of the Company to Investcorp was pending and then ultimately terminated. During this period, the Company made various public announcements and filings with the SEC which identified parties that had contacted the Company regarding a potential acquisition of the Company and the process by which additional interested parties could seek to do so. The Board, consistent with its fiduciary duties, will carefully consider any bona fide third party offer which the Board believes has the potential to increase shareholder value.

MISCELLANEOUS

"HOUSEHOLDING" OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for the Company. Under this procedure, multiple shareholders who share the same last name and address will receive only one copy of the annual proxy materials, unless they notify the Company that they wish to continue receiving multiple copies. The Company has undertaken householding to reduce its printing costs and postage fees. If shareholders wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, a shareholder may do so at any time prior to thirty days before the mailing of proxy materials, which will typically be mailed in April of each year, by notifying the Company in writing at 2481 Manana Drive, Dallas, Texas 75220 or by contacting the Company at (214) 357-9588. Shareholders also may request additional copies of the proxy materials by notifying the Company in writing at the above referenced address or contacting the Company at (214) 357-9588, and the Company will undertake to deliver such additional copies promptly. If a shareholder shares an address with another shareholder and currently is receiving multiple copies of the proxy materials, such shareholder may request householding by notifying the Company at the above referenced address or telephone number.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

For a shareholder proposal to be considered for inclusion in the Company's proxy statement for next year's annual meeting, a written proposal must be received by the Secretary at the Company's principal executive offices no later than , 2004. If the Company changes the date of next year's annual meeting by more than 30 days from the date of this year's annual meeting, then the deadline is a reasonable time before the Company begins to print and mail its proxy materials. Shareholders should also be aware that shareholder proposals must comply with SEC regulations regarding inclusion of shareholder proposals in company-sponsored proxy materials. AUDIT COMMITTEE CHARTER
(AMENDED AND RESTATED APRIL 4, 2003)

This Audit Committee Charter ("Charter") sets forth the purpose and membership requirements of the Audit Committee (the "Committee") of the Board of Directors of Dave & Buster's Inc. (the "Board") and establishes the authority and responsibilities delegated to it by the Board.

1. Purpose. The purpose of the Committee is to oversee (i) the integrity of the Company's financial statements and disclosures, (ii) the Company's compliance with legal and regulatory requirements, (iii) the qualifications, independence and performance of the Company's independent auditing firm (the "External Auditor"), (iv) the performance of the Company's internal audit function, (v) the Company's internal control systems, and (vi) the Company's procedures for monitoring compliance with its Code of Business Ethics (the "Code of Ethics").

2. Committee Members.

2.1. Composition and Appointment. The Committee shall consist of three (3) or more members of the Board. The members and Chairperson of the Committee shall be appointed by the Board on the recommendation of the Nominating and Corporate Governance Committee ("Governance Committee"). Membership on the Committee shall rotate at the Board's discretion. The Board shall fill vacancies on the Committee and may remove a Committee member from the membership of the Committee at any time without cause. Members shall serve until their successors are appointed by the Board.

2.2. Qualifications. Each member of the Committee shall be independent. To be "independent," a director may not have a relationship with the Company or its management or a private interest in the Company that in any way may interfere with the exercise of such director's independence from the Company and its management. In addition, each member of the Committee must meet the independence requirements of the New York Stock Exchange ("NYSE") and applicable federal securities laws, including the rules and regulations of the Securities and Exchange Commission ("SEC"), including the following requirements:

2.2.1. No director qualifies as "independent" unless the Board affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), other than such director's capacity as a member of the Board, the Committee or any other Board committee.

2.2.2. No director shall be considered "independent" if such director is affiliated with the Company or any subsidiary thereof in any capacity, other than in such director's capacity as a member of the Board, the Committee or any other Board committee.

2.2.3. No director shall be considered "independent" if such director receives any consulting, advisory or other compensatory fee from the Company, other than fees received in such director's capacity as a member of the Board, the Committee or any other Board committee.

2.2.4. No director who is a former employee of the Company or any affiliate of the Company shall be considered "independent" until five years after such employment has ended. A director that was employed by a former parent or predecessor of the Company shall not be considered "independent" until five years after the relationship between the Company and the former parent or predecessor has ended.

2.2.5. No director who is, or in the past five years has been, affiliated with or employed by a present or former External Auditor of the Company (or present or former external auditor of any of the Company's affiliates) shall be considered "independent" until five years after the end of either the affiliation or the auditing relationship.

2.2.6. No director shall be considered "independent" if such director is, or in the past five years has been, employed by any company for which any officer of the Company serves or served as a member of its compensation committee (or, in the absence of a compensation committee, the board committee performing equivalent functions, or, in the absence of such committee, the board of directors) during the time that such director is or was so employed.

2.2.7. Directors with immediate family members in the categories described in Sections 2.2.4, 2.2.5 and 2.2.6 are likewise subject to the applicable five-year "cooling off" provisions of those Sections for purposes of determining "independence." However, employment of an immediate family member of a director in a non-officer position (as defined with reference to Rule 16a-1(f) under the Securities Exchange Act of 1934, as amended, or any successor rule) does not preclude the Board from determining that such director is "independent." The term "immediately family member" includes a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than such person's employees) who shares such person's home.

2.3. Financial Literacy. Each member of the Committee shall, in the Board's judgment, be financially literate or must become financially literate within a reasonable period of time after such member's appointment to the Committee. At least one member of the Committee shall, in the Board's judgment, have accounting or related financial management expertise. In addition, in connection with the preparation of any reports regarding the financial experience of the members of the Committee to be included in the Company's periodic public reports, the Board shall determine with respect to each member of the Committee whether or not, in the Board's judgment, such member is a "financial expert," as such term is defined by the SEC.

2.4. Simultaneous Service on Other Audit Committees. If a member of the Committee serves on the audit committee (or, in the absence of an audit committee, the board committee performing equivalent functions, or, in the absence of such committee, the board of directors) of more than two (2) public companies in addition to the Company, the Board must affirmatively determine that such simultaneous service on multiple audit committees will not impair the ability of such member to serve on the Committee. The basis for the Board's determination shall be disclosed in the Company's proxy statement prepared in connection with its annual meeting of stockholders.

2.5. Compensation. The members of the Committee shall not receive any direct or indirect compensation from the Company, other than director's fees. Members of the Committee shall, at the discretion of the Board, be entitled to receive fees for service on the Committee or for service as Chairperson of the Committee in addition to the normal fees paid to all directors.

3. Authority.

3.1. Education. To help ensure that the members of the Committee have the proper knowledge to perform their responsibilities, Committee members, shall have the authority, at the Company's expense, to attend outside educational programs, retain outside professionals to conduct educational programs and undertake other appropriate steps to keep current with developments in accounting, disclosure, risk management, internal controls, auditing and other matters that are relevant to the carrying out of the Committee's responsibilities.

3.2. Advisors. The Committee shall have the authority (i) to retain, at the Company's expense, independent legal, financial and other advisors ("Advisors") it deems necessary to fulfill its responsibilities, and (ii) determine the compensation of such Advisors.

3.3. Investigations. The Committee shall have the authority to conduct investigations that it deems necessary to fulfill its responsibilities.

3.4. Information. The Committee shall have the authority to require any officer, director or employee of the Company, the Company's outside legal counsel and the External Auditor to meet with the

Committee and any of its advisors and to respond to their inquiries. The Committee shall have full access to the books, records and facilities of the Company in carrying out its responsibilities.

3.5. Funding. The Committee shall have the authority to determine, on behalf of the Company, the compensation of (i) the External Auditor for its services in rendering an audit report, and (ii) any Advisors employed by the Committee pursuant to Section 3.2.

3.6. Subcommittees. The Committee shall have the authority to delegate authority and responsibilities to subcommittees provided that no subcommittee shall consist of less than two members.

4. Meetings.

4.1. Periodic Meetings. The Committee shall meet at least once per fiscal quarter in connection with (i) its review of the Company's earning releases, financial statements and the disclosures that are to be included in its Form 10-Q and Form 10-K filings with the SEC, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," and (ii) its preparation of the Committee's report to be included in the Company's proxy statement in connection with the Company's annual meeting of stockholders. The Chairperson may call a special meeting at any time as he or she deems advisable.

4.2. Executive Sessions. The Committee shall maintain free and open communication with (i) the Company's chief executive officer ("CEO"), (ii) the Company's chief financial officer ("CFO"), (iii) the Company's chief of internal auditing ("Internal Auditor"), (iv) the External Auditor, and (v) the Company's general counsel ("General Counsel") and shall periodically meet, in its sole discretion, in separate executive (private) sessions with each such person to discuss any matters that the Committee or any of them believes should be discussed privately with the Committee.

4.4. Quorum. A quorum shall consist of a majority of the Committee's members. The act of a majority of the Committee members present at a meeting at which a quorum is present shall be the act of the Committee.

4.5. Agenda. The Chairperson of the Committee shall prepare an agenda for each meeting of the Committee in consultation with Committee members and any appropriate member of the Company's management or staff. Appropriate members of the Company management and staff shall assist the Chairperson with the preparation of any background materials necessary for any Committee meeting.

4.6. Presiding Officer. The Chairperson of the Committee shall preside at all Committee meetings. If the Chairperson is absent at a meeting, a majority of the Committee members present at a meeting shall appoint a different presiding officer for that meeting.

5. General Oversight. The Committee's responsibilities shall include review of (i) major issues regarding accounting principles and financial statement presentation, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies, (ii) any analyses prepared by management or the External Auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any analyses of the effects of alternative generally accepted accounting principles ("GAAP") methods on the presentation of the Company's financial statements, (iii) the effect of regulatory and accounting industry initiatives, as well as off-balance sheet structures, on the Company's financial statements, and (iv) press releases that contain information with respect to the historical or projected financial performance of the Company (with particular attention on the use of "pro forma," or "adjusted" non-GAAP, information), as well as any other financial information provided to a financial analyst or a rating agency.

If the Committee approves an audit service within the scope of the engagement of the External Auditor, such audit service shall be deemed to have been pre-approved for purposes of this Section.

6.2.2. Delegation of Pre-Approval Authority. The Committee may delegate to one (1) or more members of the Committee the authority to grant pre-approval of non-audit services required by this Section. The decision of any member to whom such authority is delegated to pre-approve non-audit services shall be reported to the full Committee at its next scheduled meeting.

The Committee shall periodically meet with the External Auditor to assess and satisfy itself that the External Auditor is "independent" in accordance with the rules and regulations of the SEC. The Committee shall annually obtain from the External Auditor a written statement delineating (i) all relationships between the External Auditor and the Company that may impact the External Auditor's objectivity and independence, (ii) confirmation that the Company's CEO, controller, CFO, chief accounting officer, Internal Auditor, or any person serving in an equivalent position to any of the foregoing for the Company, was not employed by the External Auditor and participated in any capacity in the audit of the Company during the one (1) year period preceding the date of the initiation of the audit for which the External Auditor is engaged, and (iii) all the disclosures required by Independence Standards Board Standard No. 1. The Committee shall establish a policy regarding the Company's hiring of any former employee of the External Auditor.

This Compensation Committee Charter (the "Charter") sets forth the purpose and membership requirements of the Compensation Committee (the "Committee") of the Board of Directors of Dave & Buster's Inc. (the "Board") and establishes the authority and responsibilities delegated to it by the Board.

1. Purpose. The purpose of the Committee is to (i) assist the Board in the discharge of its fiduciary responsibilities relating to the fair and competitive compensation of the Company's Chief Executive Officer ("CEO") and other executives and (ii) prepare an annual report on executive compensation for inclusion in the Company's proxy statement for the annual meeting of stockholders.

2. Committee Members.

2.1. Composition and Appointment. The Committee shall consist of three (3) or more members of the Board. The members and Chairperson of the Committee shall be appointed by the Board on the recommendation of the Nominating and Corporate Governance Committee ("Governance Committee"). Membership on the Committee shall rotate at the Board's discretion. The Board shall fill vacancies on the Committee and may remove a Committee member from the membership of the Committee at any time without cause. Members shall serve until their successors are appointed by the Board.

2.2. Qualifications. Each member of the Committee shall be independent. To be "independent," a director may not have a relationship with the Company or its management or a private interest in the Company that in any way may interfere with the exercise of such director's independence from the Company and its management. In addition, each member of the Committee must meet the independence requirements of the New York Stock Exchange ("NYSE") and applicable federal securities laws, including the rules and regulations of the Securities and Exchange Commission (the "SEC"), including the following requirements:

2.2.1. No director qualifies as "independent" unless the Board affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), other than such director's capacity as a member of the Board, the Committee or any other Board committee.

2.2.2. No director who is a former employee of the Company or any affiliate of the Company shall be considered "independent" until five years after such employment has ended. 2.2.5. Directors with immediate family members in the categories described in Sections 2.2.2, 2.2.3 and 2.2.4 are likewise subject to the applicable five-year "cooling off" provisions of those Sections for purposes of determining "independence." However, employment of an immediate family

member of a director in a non-officer position (as defined with reference to Rule 16a-1(f) under the Securities Exchange Act of 1934, as amended, or any successor rule) does not preclude the Board from determining that such director is "independent." The term "immediately family member" includes a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than such person's employees) who shares such person's home.

8. Director Compensation Oversight.

8.1. Review of Director Compensation. The Committee shall annually review and make recommendations to the Board regarding the compensation paid to the Company's directors. Such review shall include any fees paid for attendance at meetings of the Board and any of its committees and grants of stock options or stock.

8.2. Compliance with Restrictions. The Committee shall monitor the amount of compensation proposed to be paid to any director for compliance with the Company's equity compensation plans. In addition, the Committee shall monitor the effect that compensation proposed to be paid to a director will have on the director's ability to be considered "independent" under the requirements of the NYSE and applicable federal securities laws, including the rules and regulations of the SEC. The Committee shall advise the Board if any compensation proposed to be paid to a director would violate the Company's equity compensation plans or have an undesirable impact on the director's independence. In fulfilling its responsibilities hereunder, the Committee shall give due consideration to the different definitions of "independent" that apply to the Board and its different committees and any requirement that the Board or a Board committee contain a majority of, or be entirely composed of, "independent" directors.

9. Reports and Assessments.

9.1. Board Reports. The Chairperson of the Committee shall report from time to time to the Board on Committee actions and on the fulfillment of the Committee's responsibilities under this Charter.

9.2. Charter Assessment. The Committee shall annually review and assess the adequacy of this Charter and advise the Board and the Governance Committee of its assessment and of its recommendation for any changes to the Charter.

9.3. Committee Self-Assessment. The Committee shall annually review and make a self-assessment of its performance and shall report the results of such self-assessment to the Board and the Governance Committee.

9.4. Annual Report on Compensation. The Committee shall annually advise the Board as to whether the Company's executive officer compensation arrangements are appropriate.

9.5. Proxy Statement Report. The Committee shall prepare an annual report on executive compensation as required by the rules and regulations of the SEC and submit it to the Board for inclusion in the Company's proxy statement prepared in connection with its annual meeting of stockholders.

DAVE & BUSTER'S, INC.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE CHARTER
ADOPTED APRIL 4, 2003

This Nominating and Corporate Governance Committee Charter (the "Charter") sets forth the purpose and membership requirements of the Nominating and Corporate Governance Committee (the "Committee") of the Board of Directors of Dave & Buster's Inc. (the "Board") and establishes the authority and responsibilities delegated to it by the Board.

1. Purpose. The purpose of the Committee is to (i) identify and recommend to the Board individuals qualified to be nominated for election to the Board, (ii) recommend to the Board the members and Chairperson for each Board committee, (iii) periodically review and assess the Company's Corporate Governance Principles and the Company's Code of Business Ethics and Conduct and make recommendations for changes thereto to the Board and (iv) oversee the annual self-evaluation of the performance of the Board.

2. Committee Members.

2.1. Composition and Appointment. The Committee shall consist of three (3) or more members of the Board. The members and Chairperson of the Committee shall be appointed by the Board on the recommendation of the Committee. Membership on the Committee shall rotate at the full Board's discretion. The Board shall fill vacancies on the Committee and may remove a Committee member from the membership of the Committee at any time without cause. Members shall serve until their successors are appointed by the Board.

2.2. Qualifications. Each member of the Committee shall be independent. To be "independent," a director may not have a relationship with the Company or its management or a private interest in the Company that in any way may interfere with the exercise of such director's independence from the Company and its management. In addition, each member of the Committee must meet the independence requirements of the New York Stock Exchange ("NYSE") and applicable federal securities law, including the rules and regulations of the SEC, including the following requirements:

2.2.1. No director qualifies as "independent" unless the Board affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), other than such director's capacity as a member of the Board, the Committee or any other Board committee.

2.2.2. No director who is a former employee of the Company or any affiliate of the Company shall be considered "independent" until five years after such employment has ended. A director that was employed by a former parent or predecessor of the Company shall not be considered "independent" until five years after the relationship between the Company and the former parent or predecessor has ended.

2.2.3. No director who is, or in the past five years has been, affiliated with or employed by a present or former external auditor of the Company (or present or former external auditor of any of the Company's affiliates) shall be considered "independent" until five years after the end of either the affiliation or the auditing relationship.

2.2.4. No director shall be considered "independent" if such director is, or in the past five years has been, employed by any company for which any officer of the Company serves or served as a member of its compensation committee (or, in the absence of a compensation committee, the board committee performing equivalent functions, or, in the absence of such committee, the board of directors) during the time that such director is or was so employed.

2.2.5. Directors with immediate family members in the categories described in Sections 2.2.2, 2.2.3 and 2.2.4 are likewise subject to the applicable five-year "cooling off" provisions of those Sections for purposes of determining "independence." However, employment of an immediate family member of a director in a non-officer position (as defined with reference to Rule 16a-1(f) under the Securities Exchange Act of 1934, as amended, or any successor rule) does not preclude the Board from determining that such director is "independent." The term "immediately family member" includes a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than such person's employees) who shares such person's home.

3. Authority.

3.1. Advisors. The Committee shall have the sole authority to (i) retain, at the Company's expense, independent advisors ("Advisors") as it deems necessary to fulfill its responsibilities under this charter, (ii) determine the compensation of such Advisors and (iii) terminate the engagement of such Advisors.

3.2. Subcommittees. The Committee shall have the authority to delegate authority and responsibilities to subcommittees as it deems proper, provided that no subcommittee shall consist of less than two members.

4. Meetings.

4.1. Frequency of Meetings. The Committee shall meet at least once per fiscal quarter. The schedule for regular meetings of the Committee for each year shall be established by the Committee. The Chairperson of the Committee may call a special meeting at any time as he or she deems advisable.

4.2. Minutes. Minutes of each meeting of the Committee shall be kept to document the discharge by the Committee of its responsibilities and a copy thereof shall be sent to the members of the Board.

4.3. Quorum. A quorum shall consist of a majority of the Committee's members. The act of a majority of the Committee members present at a meeting at which a quorum is present shall be the act of the Committee, except that nominations for directors that are submitted to the Board shall be approved by the [two-thirds] vote of the standing members of the Committee.

4.4. Agenda. The Chairperson of the Committee shall prepare an agenda for each meeting in consultation with Committee members and any appropriate member of the Company's management or staff. Appropriate members of Company management and staff shall assist the Chairperson with the preparation of any background materials necessary for any Committee meeting.

4.5. Presiding Officer. The Chairperson of the Committee shall preside at all Committee meetings. If the Chairperson is absent at a meeting, a majority of the Committee members present at a meeting shall appoint a different presiding officer for that meeting.

5. Director Nominees.

5.1. Nominee Criteria and Qualifications. The Committee shall establish criteria for persons to be nominated for election to the Board and its committees, taking into account the composition of the Board as a whole. At a minimum, the criteria should include a candidate's qualification as "independent," under the various standards applicable to the Board and each of its committees, as well as a candidate's depth of experience and availability, the balance of the business interest and experience of the incumbent or nominated directors, and the need for any required expertise on the Board or one of its committees. With respect to incumbent members of the Board, the Committee shall also consider the performance of the incumbent director. In addition, the Committee shall determine whether qualifications for membership on each committee of the Board of Directors are met.

5.2. Identification of Board Candidates. When the circumstances require, the Committee shall identify and recommend to the Board new persons qualified to be nominated for election as directors. The

Committee shall also annually review each incumbent director's past performance and recommend to the Board whether such director should be nominated for reelection.

5.3. Recommendation of Board Nominees. Prior to each annual meeting of the stockholders of the Company, the Committee shall, on a timely basis, recommend to the full Board a slate of nominees for election to the Board.

6. Recommendation of Committee Members. The Committee shall annually recommend to the Board the membership of each Board committee (including this Committee) and a Chairperson for each committee. The Committee shall review the qualifications of the members of each committee to ensure that each committee has in membership that meets any applicable criteria of the rules and regulations of the SEC and NYSE. There is no mandated policy limiting the length of service on any committee.

7. Board Matters.

7.1. Director Orientation. The Committee shall, in consultation with the Chief Executive Officer and appropriate members of management, periodically review and approve the Company's orientation program for new directors in accord with the Company's corporate governance principles.

7.2. Recruitment of Directors. The Committee shall evaluate the Company's policies relating to the recruitment of directors, including compensation and director and officer's insurance, as well as indemnification protections provided in the Company's organizational documents, and make recommendations to the Board or any appropriate Board committee regarding such matters.

8. Executive Officer Matters.

8.1. Management Succession. The Committee shall receive periodically from the CEO recommendations regarding the CEO's successor, the development of other executive talent and the executive management needs of the Company.

8.2. CEO Succession. The Committee shall recommend to the Board a successor to the CEO when a vacancy occurs.

8.3. Appointment of Officers. The Committee shall review the CEO's appointment of SEC reporting officers ("SEC reporting officers" are those officers that file Forms 3 and 4 with the SEC under Section 16 of the Securities Exchange Act of 1934) and make recommendations to the Board with respect to such persons to be elected officers by the Board and review any proposed personnel changes involving such officers.

9. Reports and Assessments.

9.1. Board Reports. The Chairperson of the Committee shall report from time to time to the Board on Committee actions and on the fulfillment of the Committee's responsibilities under this Charter.

9.2. Charter Assignment. The Committee shall annually review and assess the adequacy of this Charter and advise the Board of its recommendation for any changes to the Charter.

9.3. Committee Self-Assessment. The Committee shall annually review and make a self-assessment of its performance, and shall report the results of such self-assessment to the Board.

9.4. Assessment of Board. The Committee shall conduct an annual self-assessment of the Board's performance. The Committee shall be responsible for establishing the evaluation criteria and implementing the process for such evaluation.

9.5. Evaluation of Committee Charters. The Committee shall conduct an annual review of all committee charters and recommend to the Board any changes it deems necessary. In connection therewith, the Committee shall review the recommendations of each Board Committee regarding the charter of its committee.

9.6. Corporate Governance. The Committee shall conduct an annual review and assessment of (i) the Company's corporate governance principles and (ii) the Company's Business Ethics Policy and recommend to the Board any changes it deems necessary.
